Billing Rights: Information on your rights to dispute transactions and how to exercise those rights is provided in the account agreement that will be provided to you before you begin using your new card.

Prime Rate: The APR will vary based on changes in the Index, the Prime Rate (the base rate on corporate loans posted by at least 70% of the ten largest U.S. banks) published in the Wall Street Journal. The Index will be adjusted on the 25th day of each month or the business day preceding the 25th day if that day falls on a weekend or a holiday recognized by the Board of Governors of the Federal Reserve System. Changes in the Index will take effect beginning with the first billing cycle in the month following a change in the Index. Increases or decreases in the Index will cause the APR and periodic rate to fluctuate, resulting in increased or decreased Interest Charges on the Account. As of March 25, 2026, the Index was 6.75%.

^a We add 10.99% to the Prime Rate to determine the APR for Purchases, Balance Transfers, and Cash Advances. The Account will never have an APR over 21%.

^b We add 15.99% to the Prime Rate to determine the Penalty APR. The Account will never have an APR over 21%.

^c Annual fee is waived in any year if you charged \$500,000 or more to your Account in the prior year. The amount charged to your Account equals the aggregate of all amounts charged to the Individual billed account or to each Sub Account tied to a Summary Billing Account. If you will charge less than \$500,000 per year then you will automatically be offered a Preferred Points Card.
